

Resources compilation

ORGANISATIONS

Updated December 2018

We hope you find this resources compilation useful.

It consists of separate pages for

- [?](#) Organisations
- [?](#) Observing tips
- [?](#) Apps
- [?](#) Websites
- [?](#) TV Documentaries
- [?](#) Videos
- [?](#) Podcasts
- [?](#) Blogs
- [?](#) Social media

Clicking on the link will take you to a website on the same page. Right clicking on the link in most cases will offer you the choice of opening the link on a separate page or separate tab

Irish Federation of Astronomical Societies

The Irish Federation of Astronomical Societies (IFAS) is an umbrella group of Astronomical Clubs & Societies throughout Ireland.

<https://www.irishastronomy.org/>

Astronomy Ireland

Astronomy Ireland is a non-profit organisation and the largest national astronomy club in the world. Astronomy Ireland is an astronomy association based in Ireland. It is a non-profit educational organisation, separate but connected to its parent company 'Astronomy & Space Ltd.', owned by its director David Moore. The club does not hold annual general meetings nor allow its membership to elect its officers. See web-site for more detail

Irish Astronomical Society

Founded in 1937, the Irish Astronomical Society (I.A.S.) is the longest existing astronomical organization in Ireland. It is a voluntary (non-commercial) organisation established to foster an interest in the wonders of the night sky and the science of Astronomy. Members include both amateur and professional astronomers. See web-site for more detail.
